Kube™

OUTDOOR SERIES

Kube™ Series

Kube™ is a modern table and chair collection designed to be arranged, and rearranged, to optimize any outdoor space. The one-piece rotationally molded base pairs with five unique top cushions to create hundreds of potential configurations. Kube™ is ballastable, UV resistant and robustly engineered for long-term ROI.

Features That Matter

Non-Removable Glides

Non-removable, steel encased floor glides protect the ground from scratching without risking the safety of residents and staff.

Ballastable

Ballasting offers additional security by adding weight, reducing the risk of moving or throwing the chair.

Easy Cleanability*

The base can be safely sanitized with bleach solutions and hospital-grade cleaners without affecting the surface material or color.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

UV Resistant

Enhanced UV resistant formulation with ultraviolet light stabilizers helps to reduce fading.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff.

Endless Configurations

Five unique pieces in this modular seating line support hundreds of different configurations that can fit seamlessly into any environment.

Field-Replaceable Cushions

Field-replaceable cushions provide the freedom to make color changes or design updates quickly and easily without requiring a full chair replacement.

GreenGuard Gold Certified

The highest level of GreenGuard Certification, this product meets strict health-based criteria for VOC emissions and total chemical emissions.

**For upholstery, please refer to manufacturer's website for specific fabric cleaning recommendations.*
